NOTES:
Every effort has been made to spell names as they were entered by Johann Funeral Home. If you think a name is like the name you seek, look at the record and see if the other data fits.

Entry # 4 has the first name and middle initial, (Marvell A) marked out.

Entry # 15 first name unclear, may be Richard as second column says ordered by Mrs. Richard Surrell T. H. see 'ordered by' column.

Entry #16 looks like Ernst.

Entry # 48's name is blank

Entry # 97 could be Zaff, however Witherspoon has the same letter for the **p** on this.. same page.

Entry # 154 was entered then a line drawn through it.

Entry # 161 & 164 appear to be twins who were premature and died 2 days apart.

Entry # 271 says "alias Sandefur".. Pistol shot.. murdered.
