

July 1, 2025

Hello Fellow Family Researchers,

Today begins the 48th year of Tri-State Genealogical Society! If you have paid your dues, you have access to our website Members Only pages. If you haven't paid your dues yet, here's what you're missing out on:

- Tri-State Packet Archives complete from 1977-2020!**
- Dedicated sections for Indiana, Illinois, & Kentucky vital records and other records**
- Bible Records**
- Member Submitted Stories**
- Patriot Wall (NEW submissions just added!)**
- World War I & World War II Draft Registration Cards**
- The video of the last program we had, available for 30 days (along with the handout notes)**
- Posey County, Indiana, certificate of marriage returns**
- Many other state records. To name a few: Missouri, Iowa, Ohio, Tennessee, Arkansas, Texas, Kansas, New Mexico, and growing**
- Surname listings to help you connect with others searching the same names**

While our website is an awesome incentive to joining our society, it's not the only reason. When you renew your membership, you help support your society so that we can bring you awesome programs each month at 6:00 p.m. (Central) from September through June. Most of the programs we present are available only to our members on our website to watch for 30 days after the program date. So, if you are unable to watch or attend the program in person, you can still watch for 30 days after and get the information presented! All of this for only \$20!!

So, I hope that you will consider rejoining our group for the 2025-2026 year and help us, and yourself, take your research farther.

I have attached the membership form below. Please return right away so that you won't miss out!

I hope to hear from you soon,

Kim Van Vorst

President, TSGS
